

ABC Board May 2020 Board Meeting

Thursday, July 9, 2020

9:00pm ET, 6:00pm PT

Zoom Meeting: Meeting ID: 749 851 3477

MINUTES

- *Cancelled Nationals*

Betsy doesn't think we should hold Nationals because of everyone needing to quarantine especially afterward with people needing to return to work. The LOC will lose money on it but it is irresponsible to hold it when there is Covid19 Spikes in some regions.

MOTION: A motion was made to cancel 2020 Nationals and it was seconded. Discussion was held. Motion approved (9 yes, 1 no).

Virtual Nationals discussion was held. Possibly skiers taking an extra round at each Regional's which could go toward virtual Nationals. We could then possibly paste the Regional Videos together and live stream the edited version. It is a problem that Eastern Regional's is not running all 3 events; No jumps. Many board members did not think this was a good idea. Maybe possibly running only juniors because it is the last time some can compete in Juniors.

- *Virtual Junior Worlds*

Virtual Junior Worlds was suppose to be the day after Nationals. May need to do a Mid-west & then one in Florida. Two or 3 tournaments held. Betsy will reach out to all the Juniors tomorrow.

- *Airline Tickets refund (letter sent)*

Airline tickets were previously bought from Virgin Air and they are trying to get a full refund. A letter was sent but they are still waiting to hear back.

- *Australia LOC refunded all money*

Australian LOC refunded everything.

- *Summer Board Meeting (August Date)*
Summer Board Meeting, can do a Zoom Meeting. Would rather do it on the weekend rather than mid-week. Possibly Aug 22nd. Betsy will post on FB.
- *Summer Awards*
We should still do awards so Send in award nominees.
- *Regional Dates*
Some prefer to move Regional's to a later date to Covid19, possibly hold them in Sept or Oct

Motion: A motion was made to allow all Regional Tournaments to extend the date they hold them out as far as September 31, 2020 if the region so chooses. Voted in the Affirmative Unanimously.

- *Other*
Discussion was held to possibly post National Rankings. No one skis but bring all the scores together and post from the Regional Scores.

The quarantine from Covid19 is an opportunity to upgrade your official's standing. WBC page has the tests.

MOTION: A motion was made to end the meeting. Voted in the Affirmative Unanimously.
